

# Handy Student Activities Bulletin Compiled

In answer to the requests of many Canisius men, *The Griffin* is publishing a pocket-size bulletin with complete facts and figures concerning Canisius student organizations. The schedule below is intended as a handy

aid for bewildered scholars who have joined, or will wish to join, an extra-curricular group.

Special notice is called to the names of organizations followed by the qualification, "all students."

Moderators and their committees have the privilege of laying down special requirements which must be satisfied by candidates before their admission. Any unforeseen revisions to be posted on the bulletin board.
